

Interested in joining Cub Scouts?

Come to our "Open House" Pack Meeting on

Wednesday, May 16th at 7 pm in Bollinger Canyon's MPR

And help make and launch paper rockets!

PLEASE RSVP TO maggieh79@yahoo.com IF YOU WILL BE ATTENDING!

Scouting provides fun and educational activities designed to help parents teach their kids how to make good decisions throughout their lives and become the adult leaders of tomorrow. Boys and girls in elementary school are welcome to join Pack 882, where they will be grouped into parent-led dens with other boys or girls of the same age.

Through Cub Scouts, your family will participate in:

- Community service projects
- Programs that strengthen their understanding of the environment, the cultures and people past and present that make up our world, and the inter-workings of various organizations around us
- Activities that promote physical fitness and develop hands on skills. Including a hiking and camping program.

Grades K-4 welcome.

Boys and girls will be able to participate actively in the meeting, while parents will be invited for a short "break-out" meeting to get more details about the Scouting program.

Current scouts will receive a special prize for bringing a new friend, brother or sister to the meeting! Please contact Maggie at maggieh79@yahoo.com if you have any questions.

Also, check out our website: <http://www.pack882.com>.
