## **FOR PACK 882**

- ⌘ **Recruitment Chair** – This is a very important position because without new recruits, our pack won't survive! Recruiting happens twice a year – in May and again in August/September at the start of the new school year. We need someone to start training with Todd immediately in May. The Recruitment Chair is responsible for distributing flyers to the teachers for inclusion in the Friday folders, for creating signs in front of the school, holding an information session for interested Scout parents and helping with new scout and adult applications. The recruitment chair helps form the new Tiger dens and slots older recruits into existing dens.
- ⌘ **Treasurer** – Do you have a knack for numbers? The treasurer keeps track of the Pack 882 budget in QuickBooks, manages the Pack checking account and helps submit our taxes.
- ⌘ **Awards Chair** – This is an ongoing position. The Awards Chair purchases and distributes patches, badges and belt loops to the scouts. S/he also holds an annual training session to teach new leaders how to enter awards in PackmasterWeb.
- ⌘ **Scouting for Food Coordinator** – This is a wonderful way to give back to the community and a great way to help the boys complete an important service project. The Scouting for Food Coordinator will need to attend one informational meeting in October. S/he will be in charge of assigning collection routes to the dens, renting a truck for collecting the food and delivering it to the food bank collection center.
